

 **WARRANTY**

Alba Diagnostics Ltd warrants this product to be free from defects in material and workmanship under normal use and service for a period of one year from date of purchase, except as hereinafter provided. In the event of a dispute regarding warranty, Alba would require proof of purchase displaying the purchase date, customer name, product description and serial number of the unit. This warranty extends only to the original purchase (a purchase from ALBA or ALBA's licensed distributors is an original purchase.) This warranty shall not apply to fuses or batteries. Factory calibration is warranted for a period of one year. The warranty shall not apply to any product that has been subject to misuse, neglect, accident or abnormal conditions of operation or storage. Should ALBA be unable to repair or replace the product within a reasonable amount of time, purchaser's exclusive remedy shall be a refund of the purchase price upon return of the product.

In the event of failure of a product covered by this warranty, ALBA will repair the instrument when it is returned by the purchaser, at the purchasers' cost to Alba Diagnostics within the applicable warranty period, provided ALBA's examination discloses to its satisfaction that the product was defective. ALBA may, as its option, replace the product in lieu of repair. With regard to any instrument returned within the applicable warranty period, repairs or replacement will be made without charge and with return freight paid by ALBA. If the failure was caused by misuse, neglect, accident, abnormal conditions of operation or storage, repairs and return carriage charges will be billed at a reasonable cost. In such cases an estimate will be submitted before work is started, if requested. If the purchaser tampers with the product or attempts to carry out a repair themselves, the warranty will be void.

The foregoing warranty is in lieu of all other warranties, expressed or implied, including but not limited to any implied warranty of merchantability, fitness, or adequacy for any particular purpose or use. ALBA shall not be liable for any special, incidental, or consequential damages, whether in contract, tort, or otherwise.
